

## Course Equivalency – Charts

Company Courses shall be applicable, as equivalent College courses, to all prerequisites or major requirements. Note that all transfer credits from Company and other institutions are subject to a cap.

The maximum number of collegiate lower-division credits acceptable for transfer to an associate degree program is 58.5 quarter units (39 semester units). For a baccalaureate degree program, no more than 103.5 lower-division quarter units (69 semester units) are allowed.

Company Course & Number	Equivalent College Course(s) & Number(s)	Credits awarded by college
